SOPHOMORE BASEBALL.

Schedule of Games with Other Schools Completed.

On Monday, March 27, the candidates for the 1907 baseball team will begin practice. The pleasant days of the past two weeks have done much to get the ground into condition and Manager Howe believes that by the last of the month work can be begun with little inconvenience from mud.

During the past few weeks the schedule has been made up and now all but the class games have been arranged for. The schedule as it now stands is as follows:

April 11, Mechanic Arts High at Columbus Ave. Grounds. April 13, Medford High at Medford. April 17, Volkmann School at Locust Street Grounds. April 19, Watertown High at Watertown. April 22, Waltham High at Waltham. April 27, Stone School, Columbus Avenue. May 2, Roxbury Latin at Technology Field. May 4, Cambridge High at Cambridge. May 6, Brighton High at Brighton. May 9, Boston Latin at Technology Field.

1908 Baseball Schedule.

The Freshman Baseball Team will begin practice as soon as the weather and ground permit. The schedule is yet quite incomplete. The games arranged for are:

April 5, Tech, 1906, at Tech Field. April 22, Lowell Textile at Lowell. April 26, Ballou and Hobigand. April 29, Brighton at Brighton. May 6, Wakefield at Wakefield. May 13, Thayer Academy at Thayer.

M. I. T. Defeats Andover.

The M. I. T. Chess Club defeated Andover Saturday evening by a score of 3 to 1.

Saturday, April 29, has been selected by the Athletic Association as the date for the Spring Games. This will add another interest to the many which come in Junior week.

GENERAL CONVOCATION.

The Convocation yesterday was addressed by Dr. Lyman Abbott. His theme treated of politics in a very general way and he showed that the difference of opinion concerning the problems before the governments to-day is chiefly due to a difference in the point of view from which one considers these questions.

ATHLETIC NOTES.

A movement is on foot to start a Sky Club.

The Hockey Team has decided to adopt the regulation style of sweater and cap.

Nominations for offices of the Cross Country Association must be in on Friday, March 24, at 1 P.M.

The shot put on yesterday afternoon was the last of the handicap events. C. S. Breitzke, '06; (1 ft. 3 in.) 33 ft. 8 in. won first place. V. H. Paquet, '05; (scratch) 33 ft. 4 in. second and H. Childs, '08; (scratch), 33 ft. 1½ in. third.

There will be a gymnastic exhibition at the Technology Gymnasium Friday, March 24, at 8 P.M. The following are the events of the evening: Long horse, high and low horizontal bars, buck, side horse, parallel bars, flying rings, ground and lofty tumbling, high and pike diving, fence vault and a hand stand race.

The last four named events will be of a competitive nature. The team, which consists of about twenty-four men, has been practising diligently lately and promises to give a good account of itself.

1905 Class Day Election Lists.

The list of names of those eligible for the Class Day Committee elections will be posted to-day in Rogers, Walker, Eng. A., Pierce, and Lowell Buildings. If your name is not on the list consult R. H. W. Lord, or Weaver in Rogers Corridor today from 1.30 until 2 P.M., and from 4 until 4.30 P.M., and Thursday from 1.30 until 2 P.M., and 4 till 4.30, and also Friday from 1.30 till 2 o'clock.

Runkle, who was for many years President of Technology. Professor Runkle was a close personal friend of William Barton Rogers, and greatly assisted him in the furtherance of his plans for the founding of Technylogy. He served as Secretary under President Rogers and succeeded him in the Presidency. After his resignation Professor Runkle remained at the Institute in the mathematical department until his death in 1902.

NOTICES.

Regular Tech Kommers on Saturday evening.

Stuart Godfrey, a Sophomore in Course IV, has received an appointment to the United States Military Academy at West Point.

All those intending to attend the Battalion Dance of the M. I. T. Cadet Corps will please give their names to any one of the officers of the battalion. The dance will take place some time between the 12th and the 22d of April.

There will be a meeting of the Freshman class in Huntington Hall next Saturday immediately after the lecture in U. S. History. The object of this meeting is to discuss the possibilities of a baseball team and also to work up a suitable performance for the Freshman night at the Kommers.

The Committee selected for the 1907 dinner is Wonson (chairman), Frank, Allen, Tylee, Donnewald.

April 1 will be the Civic Club entertainment at the Union, and on April 8 the Freshmen will give their stunts.

Technique '07 Art Competition.

The 1907 Electoral Committee announce the opening of the competition for the Art Staff of *Technique*, 1907. There are four positions to be filled. Each competitor must submit three drawings. The kinds preferred are, 1st, a pen-and-ink, 2d, a wash or pencil, 3d, a color drawing. Drawings, including lettering, must be suitable for insertion in *Technique*. For particulars see S. A. Marx, Chairman of Competition Committee.

Ohio Club.

The Ohio Club held its first dinner since its organization, last evening. The dinner was well carried out and enjoyed by all.

Notice to Candidates.

Candidates for the News Staff of THE TECH must report daily between 1 and 1.30 P.M., at the News Bureau, in Rogers Corridor.

Mr. W. P. Schumacher, private assistant to Prof. Richards, while crushing coal in the rolls at 4.15 P.M. on March 20, had his left hand caught and badly torn. Physicians William Pomeroy and Thorndike were called and dressed the hand. Ether had to be used during the dressing. They say he may expect to recover with his hand nearly, if not quite, as good as ever. He acknowledges that he was amply warned, and that the accident was due to his own carelessness.

UNDERWOOD'S Original

DEVILED HAM

When you strike off into the woods, see that in your pack basket or in the bow of your canoe you have a sufficient supply of Underwood's Original Deviled Ham. A small can and a couple of slices of bread, or, better still, cold toasted bread (toast should be buttered after it has become cold), make a satisfying and delightful lunch. In camp it is always indispensable, either for emergencies or the regular table.

It may be bought at any good grocer's, but be sure you see on the can THE LITTLE RED DEVIL. There is only ONE Deviled Ham—*Underwood's Red Devil Brand.* All others are imitations, but imitations in name only, as the goods commonly labeled and sold as potted or devilled ham, made as they are from the odds and ends of the packing house, are no more like *Underwood's Original Ham* than chalk is like cheese.

Our Book contains a lot of unique and practical receipts. We will send it FREE.

Majestic Theatre.

The first professional performance of "The Filibuster" was held at the Majestic, Monday night. Since it was given by the Bank Officers' Association, several changes have been made and several new characters have been added, which lend much to the general theme. The scenery was extremely tasteful, the costumes decidedly fetching, and the music and lyrics very catchy. The "Julep Dance," admirable executed, was repeatedly encored.
